CAREER OBJECTIVE

Seeking leadership opportunities in HR where I can leverage my extensive experience in recruitment, branding, and product marketing. Proficient in strategy development, relationship building, and team management, I am eager to drive organizational growth and success by leading teams to achieve objectives with innovation and efficiency.

WORK EXPERIENCE

Assistant HR Executive

[Godrej Industries Ltd](#) Jun - Present (Part -Time)

I conduct interviews for various job roles, including technical and semi-technical positions. I identify the right candidates, rate them accordingly, and forward these ratings to the HR manager.

Trainee Manager

[Admire Global Organization](#) Apr - May(2024)

I successfully promoted and sold products for various clients by developing and implementing targeted marketing campaigns. This involved identifying key market segments, crafting compelling messaging, and in-person events.

Human Resource Intern

[Life Magic Group](#) feb - Mar(2024)

Posted job openings on LinkedIn, and Expertia, screened resumes, conducted interviews for technical and non-technical roles, wrote write-ups for selected candidates and collected/verified employee documents

Product Management Intern

[Deepnucleus](#) sep - Nov(2023)

As a product manager I develop marketing strategies to increase the customer base. My expertise in this area has enabled me to identify target audiences, conduct market research, resulted in increased brand awareness and customer acquisition.

Business development intern

[Adspresso](#) Aug-sep(2023)

I learned how to identify and qualify potential clients, develop and execute marketing strategies, lead generation, marketing and build relationships with key decision-makers. I conducted market research to identify potential clients for Adspresso's services

Business development intern

[1stop.ai](#) June-July(2022)

1. Generating leads and qualifying potential clients.
2. Building and maintaining relationships with clients.
3. Assisting in sales support activities.
4. Collaborating on business strategy development and action planning

Ninja Entrepreneur

[Coding Ninja](#) (2021)

Gained marketing and sales skills by promoting Coding Ninjas courses and events. Identifying new business opportunities and potential markets. Developing and Implementing innovative business strategies. Building and maintaining strong relationships with clients, to drive business growth and success.
